

## CONSULTATION ON THE PROPOSAL TO CHANGE THE AGE RANGE AT NORTHLANDS PRIMARY SCHOOL

### Introduction

This consultation is being undertaken to advise you of proposals concerning Northlands Primary School, and to invite you to tell us what you think of the proposals. This is part of a statutory consultation process that Warwickshire County Council is managing in partnership with the school's Governing Body. The proposal is:

- 1) To change the age range at Northlands Primary School from 3 - 11 to 4 - 11 from September 2019. The published admission number (PAN) for the main school will not be affected by these proposals. The PAN for the maintained nursery class will cease to exist, and nursery provision will be offered at other local providers instead of at the school.
- 2) Parents will apply directly to their chosen local early years provider to obtain the place that best meets their needs

### Why Change?

The proposed changes at Northlands Primary School are related to changes at national level, with many families now entitled to 30 hours per week of funded early education, instead of the 15 hours per week they were previously entitled to.

Parents are increasingly seeking more flexibility from nursery places, to support them with work commitments. This is difficult to manage when nursery places are offered via a maintained nursery class, where there is less scope for flexibility.

Children will still be able to attend a nursery place in their local area, as there are sufficient places available at other providers nearby.

### What is the proposed timetable?

- **12 April 2019:** The County Council Portfolio Holder for Education and Learning gave approval for the proposal to go out for consultation. This report is available to the general public by following the link below to the County Council website:
